

UCSF/UCB Joint Graduate Group in Bioengineering
Dissertation Lab / Mentor Commitment

Student Name: _____

Dissertation Mentor/Lab: _____

Mentor/Lab Department: _____

Start Date: _____

The student's research mentor will be responsible for providing the following support for the length of a student's dissertation project:

- **Stipend** that meets the Group annual requirements as established by the Executive Committee in conjunction with the UCSF and UCB Graduate Division requirements.
- **Registration Fees and Non-Resident Tuition** (if applicable*) as established by each campus in conjunction with the Office of The President.
- **Conference Registration Fee** for the Annual Group Conference.
- **Travel** to appropriate conferences and meetings.
- **Expenses** associated with research activities.
- **Leave** two weeks annually.

**Non-Resident Tuition (NRT) applies to international students and out-of-state first year students only. Students eligible U.S. citizens and permanent residents, are required to obtain California residency by their second year. NRT is reduced substantially upon advancement to candidacy.*

I accept this student into my lab for their dissertation research project and agree to the funding and mentoring requirements of the Group.
