

UCSF Bioengineering Graduate Course Listing - Spring 2021

Study list filings must be completed by April 16<sup>th</sup>, 2021. There is a \$50 fee for missing this deadline!

**Spring Quarter: March 29th - June 13, 2021**

<i>Course</i>	<i>Day &amp; Time</i>	<i>Campus/Room</i>	<i>Instructor/s</i>
<b>BioE 215 Rotation</b>			SF Faculty or SF BioE Advisor
<b>BioE 250 Research (8 units)</b>			SF Mentor or BioE Head Graduate Advisor- Sri Nagarajan
<b>BioE 245</b> Machine Learning Algorithms for Medical Imaging	<b>M</b> 11:00AM – 12:30PM <b>Th</b> 12:30-2:00PM	Zoom	<b>Srikantan Nagarajan and Valentina Pedita</b> <a href="mailto:Srikantan.Nagarajan@ucsf.edu">Srikantan.Nagarajan@ucsf.edu</a> <a href="mailto:Valentina.Pedita@ucsf.edu">Valentina.Pedita@ucsf.edu</a>
<b>RadOnc 235B</b> Radiation Therapy Physics II	<b>T/Th</b> 6:00-7:30PM	Zoom	<b>Adam Cunha</b> <a href="mailto:Adam.cunha@ucsf.edu">Adam.cunha@ucsf.edu</a>
<b>BioE MTM 283</b> Designing Clinical Research for Industry <b>*(prior approval required)</b>	<b>W</b> 4:40-7PM	Zoom	<b>Instructor: Shuvo Roy</b> <b>Contact for approval:</b> <a href="mailto:Desiree.Khu@ucsf.edu">Desiree.Khu@ucsf.edu</a>

**Seminars/Journal Clubs**

<b>PSPG/CERSI Seminar Series</b>	<b>W</b> 12:00-1:00PM	Zoom	<a href="http://pspg.ucsf.edu/seminars-events/pspg-seminar-series">http://pspg.ucsf.edu/seminars-events/pspg-seminar-series</a>
<b>BBC Seminar Series</b>	<b>Th</b> 12:00-1:00PM	Zoom	<a href="https://ccb.ucsf.edu/seminars-events/bbc-seminar-series">https://ccb.ucsf.edu/seminars-events/bbc-seminar-series</a>  Contact: <a href="mailto:Nicole.Flowers@ucsf.edu">Nicole.Flowers@ucsf.edu</a>
<b>QBC Journal Club</b>	<b>T</b> 11:30AM – 1:00PM	Zoom	<a href="https://bioinformatics.ucsf.edu/seminars-events/qbc-journal-club">https://bioinformatics.ucsf.edu/seminars-events/qbc-journal-club</a>

-Students must file their study list with a minimum of 8 units each quarter. Student can file the study list for BioE 250 research for up the 8 unit minimum.

-Rotation students rotating in Berkeley labs must file BioE250 research with the HGA or grad advisor as the course instructor.

-Please contact your peer and/or graduate advisors for suggestions on which courses to take for your major/minor. Graduate advisors ultimately sign off on what is acceptable for your program of study- major minor form.

-Annual Progress Report forms are due April 5<sup>th</sup>, 2021. Submit your forms in a single pdf document [here](#).

Study list filings must be completed by April 16<sup>th</sup>, 2021. There is a \$50 fee for missing this deadline!

## Resources

### Academic

- [UCSF Registrar's Office](#)
  - [Academic Calendar](#)
  - [Course Catalog](#)
  - [Schedule of Classes](#)
- **Biopharmaceutical Sciences (BPS, PSPG)** - [Pharmaceutical Sciences and Pharmacogenomics](#)
- **Biophysics (BP)** - <http://biophysics.ucsf.edu/seminars-events>
- **Biological and Medical informatics (BMI)**
- **Biomedical Imaging MS Program (MSBI or BI) Radiology**
- **Biomedical Sciences (BMS)**
- **Masters Translational Medicine (MTM)**
- **Mini Courses** Open course spaces for BioE Students TBA
